

Lesson Inquiry Form:

We at Green Meadow Farm want to partner with you as friends in your journey.
This form just helps us to get started with determining how we can best serve you.

Parent/s name:

Address:

Email Address:

Phone Number:

Name of Child/children interested in coming:

Age and Birthday of Child/Children:

How did you hear about Green Meadow Farm?

Tell me a bit about your child and how you feel your child can benefit from coming for lessons.

Lessons are held 90 minutes each week, for 10 weeks, spring, summer and fall.

Is there a season that would be more difficult for you and your child to consistently come for their 10 week session due to sports, other activities or vacations?

We know that you will likely miss one or maybe 2 lessons but we have a long waitlist and want to make sure that your time here is workable for your schedule and is a priority for you.

Is your child extremely sensitive to hot or cold weather? This may help in determining a good fit for session block for them.

Is your child homeschooled?

If so, are there mornings of the week that would not work for them to come?

If you feel it would be helpful, you can schedule a tour.

We hold tours on Saturday Mornings at 10:00.

If you would like to schedule a tour, could you give us two possible Saturdays within the next month that would work for you?

We will call to personally follow up soon. When is a good time to call you?

We can not promise to make up lessons that you miss. If our instructors have a conflict they will almost always find a replacement for that lesson or reschedule at a convenient time for both parties.
